Request for replacement of photo interrupter  
by discontinuing production of the connector of Molex Japan LLC

Thank you for your great contribution on our semiconductor business.

We would like to inform you of EOL and replacement about 4 models of our photo interrupter.  
Because the connector of Molex Japan LLC that our photo interrupter is used  
has been discontinued production.

So thank you very much for your cooperation in the early replacement to  
an alternative model and the last order collection until the due date of applicable model.

1 . Applicable model

EOL model (The connector by Molex Japan LLC)	⇒	Replacement model (The connector by Tyco Electronics Japan G.K.)
<b>GP2A231LRSF</b>		<b>GP2A230LRSF</b>

2 . Reason

The connector that is supplied from Molex Japan LLC will be EOL.

3 . The due date of last order

June 8th, 2018
