| Category                           | Capacitors > Film Capacitors            |
| Part Status                        | 2674 pcs Stock                          |
| Voltage Rating - DC                | 1600V (1.6kV)                           |
| Voltage Rating - AC                | 650V                                    |
| Tolerance                          | ±5%                                     |
| Termination                        | PC Pins                                 |
| Size / Dimension                   | 1.240" L x 0.413" W (31.50mm x 10.50mm) |
| Series                             | PHE450                                  |
| Packaging                          | Bulk                                    |
| Package / Case                     | Radial                                  |
| Operating Temperature              | -55°C ~ 105°C                           |
| Mounting Type                      | Through Hole                            |
| Lead Spacing                       | 1.240" (31.50mm)                        |
| Height - Seated (Max)              | 0.807" (20.50mm)                        |
| Features                           | -                                       |
| ESR (Equivalent Series Resistance) | -                                       |
| Dielectric Material                | Polypropylene (PP), Metallized          |
| Capacitance                        | 0.1µF                                   |
| Applications                       | High Frequency, Switching               |
