| Manufacturer Standard Lead Time | 16 Weeks                                                           |
| Detailed Description            | Isolated Module DC DC Converter 1 Output 24V 8.33A                 |
| Series                          | VE-200™                                                            |
| Operating Temperature           | -55°C ~ 85°C                                                       |
| Mounting Type                   | Through Hole                                                       |
| Size / Dimension                | 4.60" L x 2.40" W x 0.50" H (116.8mm x 61.0mm x                    |
| Voltage - Input (Max)           | 100V                                                               |
| Type                            | Isolated Module                                                    |
| Features                        | OCP, OTP, OVP, SCP                                                 |
| Applications                    | ITE (Commercial)                                                   |
| Package / Case                  | Full Brick                                                         |
| Power (Watts)                   | 200W                                                               |
| Voltage - Isolation             | 3kV                                                                |
| Number of Outputs               | 1                                                                  |
| Current - Output (Max)          | 8.33A                                                              |
| Voltage - Input (Min)           | 55V                                                                |
| Voltage - Output 1              | 24V                                                                |
| Voltage - Output 2              | -                                                                  |
| Voltage - Output 3              | -                                                                  |
| Efficiency                      | 90%                                                                |
| Packaging                       | Bulk                                                               |
| Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                                         |
