|----------------------------------|-------------------------------------------------------------|
| Part Number                      | MAX201CPD+                                                  |
| Manufacturer                     | N/A                                                         |
| Description                      | IC TRANSCEIVER RS232 5V 14-DIP                              |
| Category                         | Integrated Circuits (ICs) > Interface - Drivers, Receivers, |
| Part Status                      | 1410 pcs Stock                                              |
| Voltage - Supply                 | 4.5 V ~ 5.5 V                                               |
| Type                             | Transceiver                                                 |
| Supplier Device Package          | 14-PDIP                                                     |
| Series                           | -                                                           |
| Receiver Hysteresis              | 500mV                                                       |
| Protocol                         | RS232                                                       |
| Packaging                        | Tube                                                        |
| Package / Case                   | 14-DIP (0.300", 7.62mm)                                     |
| Operating Temperature            | 0°C ~ 70°C                                                  |
| Number of Drivers/Receivers      | 2/2                                                         |
| Mounting Type                    | Through Hole                                                |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                               |
| Manufacturer Standard Lead Time  | 6 Weeks                                                     |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                  |
| Duplex                           | Full                                                        |
| Detailed Description             | 2/2 Transceiver Full RS232 14-PDIP                          |
| Data Rate                        | 120Kbps                                                     |
| Base Part Number                 | MAX201                                                      |
