Specifications

|                                   |                                                   |
|-----------------------------------|---------------------------------------------------|
| Part Number                       | MAX4256ESA+T                                      |
| Manufacturer                      | N/A                                               |
| Description                       | IC OPAMP GP 22MHZ RRO 8SOIC                       |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 4600 pcs Stock                                    |
| Voltage - Supply, Single/Dual (±) | 2.4 V ~ 5.5 V, ±1.2 V ~ 2.75 V                    |
| Voltage - Input Offset            | 70μV                                              |
| Supplier Device Package           | 8-SOIC                                            |
| Slew Rate                         | 2.1 V/μs                                          |
| Series                            | -                                                 |
| Packaging                         | Tape & Reel (TR)                                  |
| Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                     |
| Output Type                       | Push-Pull, Rail-to-Rail                           |
| Operating Temperature             | -40°C ~ 85°C                                      |
| Number of Circuits                | 1                                                 |
| Mounting Type                     | Surface Mount                                     |
| Gain Bandwidth Product            | 22MHz                                             |
| Current - Supply                  | 420μA                                             |
| Current - Output / Channel        | 68mA                                              |
| Current - Input Bias              | 1pA                                               |
| Amplifier Type                    | General Purpose                                   |
| -3db Bandwidth                    | -                                                 |
