|----------------------------|---------------------------------------------------------|
| Part Number                | TC1303A-SI0EMFTR                                        |
| Manufacturer               | Micrel / Microchip Technology                           |
| Description                | IC REG DL BUCK/LINEAR SYNC 10DFN                        |
| Category                   | Integrated Circuits (ICs) > PMIC - Voltage Regulators - |
| Part Status                | 2581 pcs Stock                                          |
| w/Supervisor               | No                                                      |
| w/Sequencer                | Yes                                                     |
| w/LED Driver               | No                                                      |
| Voltage/Current - Output 3 | -                                                       |
| Voltage/Current - Output 2 | 2.5V, 300mA                                             |
| Voltage/Current - Output 1 | 1.5V, 500mA                                             |
| Voltage - Supply           | 2.7 V ~ 5.5 V                                           |
| Topology                   | Step-Down (Buck) Synchronous (1), Linear (LDO) (1)      |
| Supplier Device Package    | 10-DFN (3x3)                                            |
| Series                     | -                                                       |
| Packaging                  | Tape & Reel (TR)                                        |
| Package / Case             | 10-VDFN Exposed Pad                                     |
| Operating Temperature      | -40°C ~ 85°C                                            |
| Number of Outputs          | 2                                                       |
| Mounting Type              | Surface Mount                                           |
| Function                   | Any Function                                            |
| Frequency - Switching      | 2MHz                                                    |
|                            |                                                         |
