|-----------------------------|------------------------------------------------------|
| Part Number                 | DS1315S-5+                                           |
| Manufacturer                | N/A                                                  |
| Description                 | IC RTC PHANTOM PAR 16-SOIC                           |
| Category                    | Integrated Circuits (ICs) > Clock/Timing - Real Time |
| Part Status                 | 1214 pcs Stock                                       |
| Voltage - Supply, Battery   | 2.5 V ~ 3.7 V                                        |
| Voltage - Supply            | 4.5 V ~ 5.5 V                                        |
| Type                        | Phantom Time Chip                                    |
| Time Format                 | HH:MM:SS:hh (12/24 hr)                               |
| Supplier Device Package     | 16-SOIC                                              |
| Series                      | -                                                    |
| Packaging                   | Tube                                                 |
| Package / Case              | 16-SOIC (0.295", 7.50mm Width)                       |
| Operating Temperature       | 0°C ~ 70°C                                           |
| Mounting Type               | Surface Mount                                        |
| Memory Size                 | -                                                    |
| Interface                   | Parallel                                             |
| Features                    | Leap Year                                            |
| Date Format                 | YY-MM-DD-dd                                          |
| Current - Timekeeping (Max) | 1.3mA @ 5V                                           |
