| Description             | IC ENERGY METERING 3PHASE 24SOIC                                                   |
| Category                | <a href="#">Integrated Circuits (ICs)</a> > <a href="#">PMIC - Energy Metering</a> |
| Part Status             | 2974 pcs Stock                                                                     |
| Voltage - Supply        | 4.75 V ~ 5.25 V                                                                    |
| Voltage - I/O Low       | 0.8V                                                                               |
| Voltage - I/O High      | 2.4V                                                                               |
| Supplier Device Package | 24-SOIC                                                                            |
| Series                  | -                                                                                  |
| Packaging               | Original-Reel®                                                                     |
| Package / Case          | 24-SOIC (0.295", 7.50mm Width)                                                     |
| Operating Temperature   | -40°C ~ 85°C                                                                       |
| Mounting Type           | Surface Mount                                                                      |
| Meter Type              | 3 Phase                                                                            |
| Measurement Error       | 0.1%                                                                               |
| Input Impedance         | 450 kOhm                                                                           |
| Current - Supply        | 6mA                                                                                |
