| Specifications                    |                                                   |
|-----------------------------------|---------------------------------------------------|
| Part Number                       | AD8061ARTZ-REEL7                                  |
| Manufacturer                      | N/A                                               |
| Description                       | IC OPAMP VFB 320MHZ RRO SOT23-5                   |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 74310 pcs Stock                                   |
| Voltage - Supply, Single/Dual (±) | 2.7 V ~ 8 V, ±1.35 V ~ 4 V                        |
| Voltage - Input Offset            | 1mV                                               |
| Supplier Device Package           | SOT-23-5                                          |
| Slew Rate                         | 650 V/μs                                          |
| Series                            | -                                                 |
| Packaging                         | Tape & Reel (TR)                                  |
| Package / Case                    | SC-74A, SOT-753                                   |
| Output Type                       | Rail-to-Rail                                      |
| Operating Temperature             | -40°C ~ 85°C                                      |
| Number of Circuits                | 1                                                 |
| Mounting Type                     | Surface Mount                                     |
| Current - Supply                  | 6.8mA                                             |
| Current - Output / Channel        | 50mA                                              |
| Current - Input Bias              | 3.5μA                                             |
| Amplifier Type                    | Voltage Feedback                                  |
| -3db Bandwidth                    | 320MHz                                            |
