Specifications

|                            |                                                       |
|----------------------------|-------------------------------------------------------|
| Part Number                | VNQ5E050K-E                                           |
| Manufacturer               | N/A                                                   |
| Description                | IC SW M0-5 4CH 27A DGTL PWRSSO24                      |
| Category                   | Integrated Circuits (ICs) > PMIC - Power Distribution |
| Part Status                | 717 pcs Stock                                         |
| Voltage - Supply (Vcc/Vdd) | Not Required                                          |
| Voltage - Load             | 4.5 V ~ 28 V                                          |
| Switch Type                | General Purpose                                       |
| Supplier Device Package    | PowerSSO-24                                           |
| Series                     | VIPower™                                              |
| Rds On (Typ)               | 50 mOhm (Max)                                         |
| Ratio - Input:Output       | 1:1                                                   |
| Packaging                  | Tube                                                  |
| Package / Case             | PowerSSO-24                                           |
| Output Type                | N-Channel                                             |
| Output Configuration       | High Side                                             |
| Operating Temperature      | -40°C ~ 150°C (TJ)                                    |
| Number of Outputs          | 4                                                     |
| Interface                  | On/Off                                                |
| Input Type                 | Non-Inverting                                         |
| Features                   | Auto Restart, Status Flag                             |
| Fault Protection           | Current Limiting (Fixed), Open Load Detect, Over      |
| Current - Output (Max)     | 19A                                                   |
