|-----------------------------------|-----------------------------------------------------------|
| Part Number                       | FSUSB74MPX                                                |
| Manufacturer                      | AMI Semiconductor / ON Semiconductor                      |
| Description                       | IC USB MUX/SWITCH 16MLP                                   |
| Category                          | Integrated Circuits (ICs) > Interface - Analog Switches - |
| Part Status                       | 3000 pcs Stock                                            |
| Voltage - Supply, Single (V+)     | 2.5 V ~ 4.4 V                                             |
| Voltage - Supply, Dual (V±)       | -                                                         |
| Switch Circuit                    | -                                                         |
| Supplier Device Package           | 16-MLP (3x3)                                              |
| Series                            | -                                                         |
| Packaging                         | Tape & Reel (TR)                                          |
| Package / Case                    | 16-WFQFN Exposed Pad                                      |
| Other Names                       | FSUSB74MPX-ND                                             |
| Operating Temperature             | -40°C ~ 85°C (TA)                                         |
| On-State Resistance (Max)         | 9 Ohm                                                     |
| Number of Channels                | 1                                                         |
| Multiplexer/Demultiplexer Circuit | 4:1                                                       |
| Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                             |
| Manufacturer Standard Lead Time   | 6 Weeks                                                   |
| Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                |
| Features                          | Break-Before-Make, USB 2.0                                |
| Detailed Description              | USB Switch IC 1 Channel 16-MLP (3x3)                      |
| Base Part Number                  | FSUSB74                                                   |
| Applications                      | USB                                                       |
| -3db Bandwidth                    | -                                                         |
