|-----------------------------|--------------------------------------------------|
| Part Number                 | ICS7151M-10LFT                                   |
| Manufacturer                | IDT (Integrated Device Technology)               |
| Description                 | IC CLOCK GENERATOR 8-SOIC                        |
| Category                    | Integrated Circuits (ICs) > Clock/Timing - Clock |
| Part Status                 | 2557 pcs Stock                                   |
| Voltage - Supply            | 3 V ~ 3.6 V                                      |
| Type                        | Spread Spectrum Clock Generator                  |
| Supplier Device Package     | 8-SOIC                                           |
| Series                      | -                                                |
| Ratio - Input:Output        | 1:1                                              |
| Packaging                   | Tape & Reel (TR)                                 |
| Package / Case              | 8-SOIC (0.154", 3.90mm Width)                    |
| PLL                         | Yes                                              |
| Output                      | CMOS                                             |
| Operating Temperature       | 0°C ~ 70°C                                       |
| Number of Circuits          | 1                                                |
| Mounting Type               | Surface Mount                                    |
| Input                       | Clock, Crystal                                   |
| Frequency - Max             | 33.4MHz                                          |
| Divider/Multiplier          | No/Yes                                           |
| Differential - Input:Output | No/No                                            |
