| Description                      | CAP FILM 4.7UF 5% 100VDC RAD                            |
| Category                         | Capacitors > Film Capacitors                            |
| Part Status                      | 2550 pcs Stock                                          |
| Voltage Rating - DC              | 100V                                                    |
| Voltage Rating - AC              | 63V                                                     |
| Tolerance                        | ±5%                                                     |
| Termination                      | PC Pins                                                 |
| Size / Dimension                 | 1.240" L x 0.354" W (31.50mm x 9.00mm)                  |
| Series                           | -                                                       |
| Ratings                          | -                                                       |
| Packaging                        | Bulk                                                    |
| Package / Case                   | Radial                                                  |
| Other Names                      | 1928-1697                                               |
| Operating Temperature            | -55°C ~ 125°C                                           |
| Mounting Type                    | Through Hole                                            |
| Moisture Sensitivity Level (MSL) | Not Applicable                                          |
| Manufacturer Standard Lead Time  | 20 Weeks                                                |
| Lead Spacing                     | 1.083" (27.50mm)                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                              |
| Height - Seated (Max)            | 0.748" (19.00mm)                                        |
| Features                         | -                                                       |
| Dielectric Material              | Polyester, Polyethylene Terephthalate (PET), Metallized |
| Detailed Description             | 4.7µF Film Capacitor 63V 100V Polyester, Polyethylene   |
| Capacitance                      | 4.7µF                                                   |
| Applications                     | General Purpose                                         |
