| Description             | IC BUS TRANSCVR TRI-ST SOT23-6                         |
| Category                | Integrated Circuits (ICs) > Logic - Translators, Level |
| Part Status             | 408 pcs Stock                                          |
| Voltage - VCCB          | 1.65 V ~ 5.5 V                                         |
| Voltage - VCCA          | 1.65 V ~ 5.5 V                                         |
| Translator Type         | Voltage Level                                          |
| Supplier Device Package | SOT-23-6                                               |
| Series                  | 74LVC                                                  |
| Packaging               | Tape & Reel (TR)                                       |
| Package / Case          | SOT-23-6                                               |
| Output Type             | Tri-State, Non-Inverted                                |
| Output Signal           | -                                                      |
| Operating Temperature   | -40°C ~ 85°C (TA)                                      |
| Number of Circuits      | 1                                                      |
| Mounting Type           | Surface Mount                                          |
| Input Signal            | -                                                      |
