Specifications

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | ICL7129ACQH+D                                            |
| Manufacturer               | N/A                                                      |
| Description                | IC ADC 4.5 DIGIT LN 44-PLCC                              |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - ADCs/DACs |
| Part Status                | 773 pcs Stock                                            |
| Voltage Supply Source      | Single Supply                                            |
| Voltage - Supply           | 6 V ~ 14 V                                               |
| Type                       | Display Driver                                           |
| Supplier Device Package    | 44-PLCC (16.59x16.59)                                    |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | -                                                        |
| Resolution (Bits)          | 4.5 Digit                                                |
| Packaging                  | Tube                                                     |
| Package / Case             | 44-LCC (J-Lead)                                          |
| Operating Temperature      | 0°C ~ 70°C                                               |
| Mounting Type              | Surface Mount                                            |
| Data Interface             | -                                                        |
