| Manufacturer                     | Vicor                                               |
| Description                      | DC DC CONVERTER 3.3V 75W                            |
| Category                         | Power Supplies - Board Mount > DC DC Converters     |
| Part Status                      | 2852 pcs Stock                                      |
| Voltage - Output 3               | -                                                   |
| Voltage - Output 2               | -                                                   |
| Voltage - Output 1               | 3.3V                                                |
| Voltage - Isolation              | 3kV                                                 |
| Voltage - Input (Min)            | 36V                                                 |
| Voltage - Input (Max)            | 75V                                                 |
| Type                             | Isolated Module                                     |
| Size / Dimension                 | 2.28" L x 1.45" W x 0.62" H (57.9mm x 36.8mm x      |
| Series                           | MICRO                                               |
| Power (Watts)                    | 75W                                                 |
| Packaging                        | Bulk                                                |
| Package / Case                   | Quarter Brick                                       |
| Operating Temperature            | -20°C ~ 100°C                                       |
| Number of Outputs                | 1                                                   |
| Mounting Type                    | Through Hole                                        |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                       |
| Manufacturer Standard Lead Time  | 16 Weeks                                            |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                          |
| Features                         | OVP, UVLO                                           |
| Efficiency                       | 81.5%                                               |
| Detailed Description             | Isolated Module DC DC Converter 1 Output 3.3V 22.7A |
| Current - Output (Max)           | 22.7A                                               |
| Base Part Number                 | V48C3V3C75                                          |
| Applications                     | ITE (Commercial)                                    |
|                                  |                                                     |
