| Specifications             |                                                 |
|----------------------------|-------------------------------------------------|
| Part Number                | BCR401UE6327HTSA1                               |
| Manufacturer               | International Rectifier (Infineon Technologies) |
| Description                | IC LED DRIVER LINEAR SC-74-6                    |
| Category                   | Integrated Circuits (ICs) > PMIC - LED Drivers  |
| Part Status                | 2646 pcs Stock                                  |
| Voltage - Supply (Min)     | 1.4V                                            |
| Voltage - Supply (Max)     | 40V                                             |
| Voltage - Output           | 40V                                             |
| Type                       | Linear                                          |
| Topology                   | -                                               |
| Supplier Device Package    | PG-SC74-6                                       |
| Series                     | Automotive, AEC-Q101                            |
| Packaging                  | Tape & Reel (TR)                                |
| Package / Case             | SC-74, SOT-457                                  |
| Operating Temperature      | 150°C (TJ)                                      |
| Number of Outputs          | 1                                               |
| Mounting Type              | Surface Mount                                   |
| Internal Switch(s)         | Yes                                             |
| Frequency                  | -                                               |
| Dimming                    | PWM                                             |
| Current - Output / Channel | 65mA                                            |
| Applications               | Automotive, Lighting                            |
|                            |                                                 |
