| Description                | IC OFFLINE SWIT PWM OTP HV TO220                     |
| Category                   | Integrated Circuits (ICs) > PMIC - AC DC Converters, |
| Part Status                | 5381 pcs Stock                                       |
| Voltage - Supply (Vcc/Vdd) | -                                                    |
| Voltage - Breakdown        | 350V                                                 |
| Topology                   | Boost, Buck, Flyback, Forward                        |
| Supplier Device Package    | TO-220-3                                             |
| Series                     | TOPSwitch®                                           |
| Power (Watts)              | 50W                                                  |
| Packaging                  | Tube                                                 |
| Package / Case             | TO-220-3                                             |
| Output Isolation           | Isolated                                             |
| Operating Temperature      | -40°C ~ 150°C (TJ)                                   |
| Mounting Type              | Through Hole                                         |
| Internal Switch(s)         | Yes                                                  |
| Frequency - Switching      | 100kHz                                               |
| Fault Protection           | Current Limiting, Over Temperature                   |
| Duty Cycle                 | 67%                                                  |
| Control Features           | -                                                    |
