| Manufacturer                             | Hamlin / Littelfuse                                 |
| Description                              | SCR SENS 600V 10A ISO TO-220                        |
| Category                                 | Discrete Semiconductor Products > Thyristors - SCRs |
| Part Status                              | 2679 pcs Stock                                      |
| Voltage - On State (Vtm) (Max)           | 1.6V                                                |
| Voltage - Off State                      | 600V                                                |
| Voltage - Gate Trigger (Vgt) (Max)       | 1.5V                                                |
| Supplier Device Package                  | TO-220AB-L                                          |
| Series                                   | -                                                   |
| SCR Type                                 | Standard Recovery                                   |
| Packaging                                | Tube                                                |
| Package / Case                           | TO-220-3 Isolated Tab                               |
| Operating Temperature                    | -40°C ~ 125°C                                       |
| Mounting Type                            | Through Hole                                        |
| Current - On State (It (RMS)) (Max)      | 10A                                                 |
| Current - On State (It (AV)) (Max)       | 6.4A                                                |
| Current - Off State (Max)                | 10μA                                                |
| Current - Non Rep. Surge 50, 60Hz (Itsm) | 83A, 100A                                           |
| Current - Hold (Ih) (Max)                | 30mA                                                |
| Current - Gate Trigger (Igt) (Max)       | 15mA                                                |
