| Specifications                   |                                                   |
|----------------------------------|---------------------------------------------------|
| Part Number                      | C0805X279B4HCAUTO                                 |
| Manufacturer                     | KEMET                                             |
| Description                      | CAP CER 0805 2.7PF 16V ULTRA STA                  |
| Category                         | Capacitors > Ceramic Capacitors                   |
| Part Status                      | 2615 pcs Stock                                    |
| Voltage - Rated                  | 16V                                               |
| Tolerance                        | ±0.1pF                                            |
| Thickness (Max)                  | 0.039" (0.98mm)                                   |
| Temperature Coefficient          | X8R                                               |
| Size / Dimension                 | 0.079" L x 0.049" W (2.00mm x 1.25mm)             |
| Series                           | FT-CAP                                            |
| Ratings                          | AEC-Q200                                          |
| Packaging                        | Tape & Reel (TR)                                  |
| Package / Case                   | 0805 (2012 Metric)                                |
| Operating Temperature            | -55°C ~ 150°C                                     |
| Mounting Type                    | Surface Mount, MLCC                               |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                     |
| Manufacturer Standard Lead Time  | 36 Weeks                                          |
| Lead Style                       | -                                                 |
| Lead Spacing                     | -                                                 |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                        |
| Height - Seated (Max)            | -                                                 |
| Features                         | Low ESL, Soft Termination                         |
| Failure Rate                     | -                                                 |
| Detailed Description             | 2.7pF ±0.1pF 16V Ceramic Capacitor X8R 0805 (2012 |
| Capacitance                      | 2.7pF                                             |
| Applications                     | Automotive, Boardflex Sensitive                   |
