| Specifications               |                                                |
|------------------------------|------------------------------------------------|
| Part Number                  | TPS3824-25DBVR                                 |
| Manufacturer                 | N/A                                            |
| Description                  | IC 2.25V SUPPLY MONITOR SOT-23-5               |
| Category                     | Integrated Circuits (ICs) > PMIC - Supervisors |
| Part Status                  | 87955 pcs Stock                                |
| Voltage - Threshold          | 2.25V                                          |
| Type                         | Simple Reset/Power-On Reset                    |
| Supplier Device Package      | SOT-23-5                                       |
| Series                       | -                                              |
| Reset Timeout                | 120 ms Minimum                                 |
| Reset                        | Active High/Active Low                         |
| Packaging                    | Tape & Reel (TR)                               |
| Package / Case               | SC-74A, SOT-753                                |
| Output                       | Push-Pull, Totem Pole                          |
| Operating Temperature        | -40°C ~ 85°C (TA)                              |
| Number of Voltages Monitored | 1                                              |
| Mounting Type                | Surface Mount                                  |
|                              |                                                |
