| Specifications                    |                                                    |
|-----------------------------------|----------------------------------------------------|
| Part Number                       | MMBZ5250B-TP                                       |
| Manufacturer                      | Micro Commercial Components (MCC)                  |
| Description                       | DIODE ZENER 20V 350MW SOT23                        |
| Category                          | Discrete Semiconductor Products > Diodes - Zener - |
| Part Status                       | 2530 pcs Stock                                     |
| Voltage - Zener (Nom) (Vz)        | 20V                                                |
| Voltage - Forward (Vf) (Max) @ If | 1.2V @ 100mA                                       |
| Tolerance                         | ±5%                                                |
| Supplier Device Package           | SOT-23                                             |
| Series                            | -                                                  |
| Power - Max                       | 350mW                                              |
| Packaging                         | Tape & Reel (TR)                                   |
| Package / Case                    | TO-236-3, SC-59, SOT-23-3                          |
| Operating Temperature             | -55°C ~ 150°C                                      |
| Mounting Type                     | Surface Mount                                      |
| Impedance (Max) (Zzt)             | 25 Ohm                                             |
| Current - Reverse Leakage @ Vr    | 100nA @ 15V                                        |
|                                   |                                                    |
