|-----------------------------------|---------------------------------------------------|
| Part Number                       | XR620AISO8X                                       |
| Manufacturer                      | Exar Corporation                                  |
| Description                       | IC OPAMP GP 700KHZ 8SOIC                          |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 2637 pcs Stock                                    |
| Voltage - Supply, Single/Dual (±) | ±2.3 V ~ 18 V                                     |
| Voltage - Input Offset            | 125µV                                             |
| Slew Rate                         | 1.2 V/µs                                          |
| Series                            | -                                                 |
| Output Type                       | -                                                 |
| Operating Temperature             | -40°C ~ 85°C                                      |
| Number of Circuits                | 1                                                 |
| Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                     |
| Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                        |
| Detailed Description              | General Purpose Amplifier 1 Circuit               |
| Current - Supply                  | 1.3mA                                             |
| Current - Input Bias              | 500pA                                             |
| Amplifier Type                    | General Purpose                                   |
| -3db Bandwidth                    | 700kHz                                            |
|                                   |                                                   |
