| Specifications         |                                         |
|------------------------|-----------------------------------------|
| Part Number            | MTSMC-EV3-IP-N16                        |
| Manufacturer           | Multi-Tech Systems, Inc.                |
| Description            | RF TXXR MODULE CELLULAR U.FL ANT        |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | 2693 pcs Stock                          |
| Voltage - Supply       | 3.3 V ~ 5 V                             |
| Series                 | SocketModem® iCell                      |
| Serial Interfaces      | UART, USB                               |
| Sensitivity            | -110dBm                                 |
| RF Family/Standard     | Cellular                                |
| Protocol               | EV-DO                                   |
| Power - Output         | 32dBm                                   |
| Packaging              | Tray                                    |
| Package / Case         | Module                                  |
| Operating Temperature  | -40°C ~ 85°C                            |
| Mounting Type          | Through Hole                            |
| Modulation             | -                                       |
| Memory Size            | -                                       |
| Frequency              | 800MHz, 1.9GHz                          |
| Data Rate              | 3.1Mbps                                 |
| Current - Transmitting | 423mA                                   |
| Current - Receiving    | 423mA                                   |
| Antenna Type           | Not Included, U.FL                      |
