| Part Number                      | ATAVRBLE-IOT                                         |
| Manufacturer                     | Micrel / Microchip Technology                        |
| Description                      | SECURE AVR BLE IOT                                   |
| Category                         | RF/IF and RFID > RF Evaluation and Development Kits, |
| Part Status                      | 2567 pcs Stock                                       |
| Type                             | Transceiver; Bluetooth® Smart 4.x Low Energy (BLE)   |
| Supplied Contents                | Board(s)                                             |
| Series                           | -                                                    |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                        |
| Frequency                        | 2.4GHz                                               |
| For Use With/Related Products    | ATECC508A, ATtiny1617, RN4871                        |
