| Specifications                   |                                                |
|----------------------------------|------------------------------------------------|
| Part Number                      | C0603C511G4HCAUTO                              |
| Manufacturer                     | KEMET                                          |
| Description                      | CAP CER 0603 510PF 16V ULTRA STA               |
| Category                         | Capacitors > Ceramic Capacitors                |
| Part Status                      | 2585 pcs Stock                                 |
| Voltage - Rated                  | 16V                                            |
| Tolerance                        | ±2%                                            |
| Thickness (Max)                  | 0.034" (0.87mm)                                |
| Temperature Coefficient          | X8R                                            |
| Size / Dimension                 | 0.063" L x 0.032" W (1.60mm x 0.80mm)          |
| Series                           | C                                              |
| Ratings                          | AEC-Q200                                       |
| Packaging                        | Tape & Reel (TR)                               |
| Package / Case                   | 0603 (1608 Metric)                             |
| Operating Temperature            | -55°C ~ 150°C                                  |
| Mounting Type                    | Surface Mount, MLCC                            |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                  |
| Manufacturer Standard Lead Time  | 18 Weeks                                       |
| Lead Spacing                     | -                                              |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                     |
| Height - Seated (Max)            | -                                              |
| Features                         | Low ESL, High Temperature                      |
| Failure Rate                     | -                                              |
| Detailed Description             | 510pF ±2% 16V Ceramic Capacitor X8R 0603 (1608 |
| Capacitance                      | 510pF                                          |
| Applications                     | Automotive                                     |
|                                  |                                                |
