|-----------------------------------|------------------------------------------------|
| Part Number                       | PI74FCT273ATS                                  |
| Manufacturer                      | Diodes Incorporated                            |
| Description                       | IC D-TYPE POS TRG SNGL 20SOIC                  |
| Category                          | Integrated Circuits (ICs) > Logic - Flip Flops |
| Part Status                       | 1068 pcs Stock                                 |
| Voltage - Supply                  | 4.5 V ~ 5.5 V                                  |
| Type                              | D-Type                                         |
| Trigger Type                      | Positive Edge                                  |
| Series                            | 74FCT                                          |
| Packaging                         | Tube                                           |
| Package / Case                    | 20-SOIC (0.295", 7.50mm Width)                 |
| Output Type                       | Non-Inverted                                   |
| Operating Temperature             | -40°C ~ 85°C (TA)                              |
| Number of Elements                | 1                                              |
| Number of Bits per Element        | 8                                              |
| Mounting Type                     | Surface Mount                                  |
| Max Propagation Delay @ V, Max CL | 7.2ns @ 5V, 50pF                               |
| Input Capacitance                 | 6pF                                            |
| Function                          | Master Reset                                   |
| Current - Quiescent               | 500µA                                          |
| Current - Output High, Low        | 15mA, 64mA                                     |
