|----------------------------------|------------------------------------------------|
| Part Number                      | MAX6314US30D1+T                                |
| Manufacturer                     | N/A                                            |
| Description                      | IC RESET CIRCUIT 3.00V SOT143-4                |
| Category                         | Integrated Circuits (ICs) > PMIC - Supervisors |
| Part Status                      | 490 pcs Stock                                  |
| Voltage - Threshold              | 3V                                             |
| Type                             | Simple Reset/Power-On Reset                    |
| Supplier Device Package          | SOT-143-4                                      |
| Series                           | -                                              |
| Reset Timeout                    | 1 ms Minimum                                   |
| Reset                            | Active Low                                     |
| Packaging                        | Strip                                          |
| Package / Case                   | TO-253-4, TO-253AA                             |
| Output                           | Bidirectional                                  |
| Other Names                      | MAX6314US30D1+                                 |
| Operating Temperature            | -40°C ~ 85°C (TA)                              |
| Number of Voltages Monitored     | 1                                              |
| Mounting Type                    | Surface Mount                                  |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                  |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                     |
| Detailed Description             | Supervisor Bidirectional 1 Channel SOT-143-4   |
| Base Part Number                 | MAX6314                                        |
