Specifications

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Part Number                | AT87C51RB2-3CSUM                                        |
| Manufacturer               | Micrel / Microchip Technology                           |
| Description                | IC MCU 8BIT 16KB OTP 40PDIL                             |
| Category                   | Integrated Circuits (ICs) > Embedded - Microcontrollers |
| Part Status                | 739 pcs Stock                                           |
| Voltage - Supply (Vcc/Vdd) | 4.5 V ~ 5.5 V                                           |
| Supplier Device Package    | 40-PDIL                                                 |
| Speed                      | 40/20MHz                                                |
| Series                     | 87C                                                     |
| RAM Size                   | 512 x 8                                                 |
| Program Memory Type        | OTP                                                     |
| Program Memory Size        | 16KB (16K x 8)                                          |
| Peripherals                | POR, PWM, WDT                                           |
| Packaging                  | Tube                                                    |
| Package / Case             | 40-DIP (0.600", 15.24mm)                                |
| Oscillator Type            | Internal                                                |
| Operating Temperature      | -40°C ~ 85°C (TA)                                       |
| Number of I/O              | 32                                                      |
| EEPROM Size                | -                                                       |
| Data Converters            | -                                                       |
| Core Size                  | 8-Bit                                                   |
| Core Processor             | 80C51                                                   |
| Connectivity               | UART/USART                                              |
