Specifications

|                                   |                                                    |
|-----------------------------------|----------------------------------------------------|
| Part Number                       | CZRQR24VB-HF                                       |
| Manufacturer                      | Comchip Technology                                 |
| Description                       | DIODE ZENER 24V 125MW 0402                         |
| Category                          | Discrete Semiconductor Products > Diodes - Zener - |
| Part Status                       | 2673 pcs Stock                                     |
| Voltage - Zener (Nom) (Vz)        | 24V                                                |
| Voltage - Forward (Vf) (Max) @ If | 900mV @ 10mA                                       |
| Tolerance                         | ±3%                                                |
| Supplier Device Package           | 0402/SOD-923F                                      |
| Series                            | -                                                  |
| Power - Max                       | 125mW                                              |
| Packaging                         | Tape & Reel (TR)                                   |
| Package / Case                    | 0402 (1006 Metric)                                 |
| Operating Temperature             | -55°C ~ 125°C                                      |
| Mounting Type                     | Surface Mount                                      |
| Impedance (Max) (Zzt)             | 62 Ohm                                             |
| Current - Reverse Leakage @ Vr    | 100nA @ 18V                                        |
