Specifications

|                         |                                       |
|-------------------------|---------------------------------------|
| Part Number             | C0402C829J3GCAUTO                     |
| Manufacturer            | KEMET                                 |
| Description             | CAP CER 8.2PF 25V COG/NP0 0402        |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | 10379 pcs Stock                       |
| Voltage - Rated         | 25V                                   |
| Tolerance               | ±5%                                   |
| Thickness (Max)         | 0.022" (0.55mm)                       |
| Temperature Coefficient | COG, NP0                              |
| Size / Dimension        | 0.039" L x 0.020" W (1.00mm x 0.50mm) |
| Series                  | C                                     |
| Ratings                 | AEC-Q200                              |
| Packaging               | Tape & Reel (TR)                      |
| Package / Case          | 0402 (1005 Metric)                    |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Surface Mount, MLCC                   |
| Lead Style              | -                                     |
| Lead Spacing            | -                                     |
| Height - Seated (Max)   | -                                     |
| Features                | -                                     |
| Failure Rate            | -                                     |
| Capacitance             | 8.2pF                                 |
| Applications            | Automotive                            |
