|----------------------------|------------------------------------------------------|
| Part Number                | LNK6764E                                             |
| Manufacturer               | Power Integrations                                   |
| Description                | IC OFF-LINE SWITCH PWM 7SIP                          |
| Category                   | Integrated Circuits (ICs) > PMIC - AC DC Converters, |
| Part Status                | 7774 pcs Stock                                       |
| Voltage - Supply (Vcc/Vdd) | -                                                    |
| Voltage - Breakdown        | 650V                                                 |
| Topology                   | Flyback                                              |
| Supplier Device Package    | eSIP-7C                                              |
| Series                     | LinkSwitch™-HP                                       |
| Power (Watts)              | 47W                                                  |
| Packaging                  | Tube                                                 |
| Package / Case             | 7-SIP, 6 Leads, Exposed Pad, Formed Leads            |
| Output Isolation           | Isolated                                             |
| Operating Temperature      | -40°C ~ 150°C (TJ)                                   |
| Mounting Type              | Through Hole                                         |
| Internal Switch(s)         | Yes                                                  |
| Frequency - Switching      | 120kHz ~ 136kHz                                      |
| Fault Protection           | Current Limiting, Over Load, Over Temperature, Over  |
| Duty Cycle                 | 64%                                                  |
| Control Features           | -                                                    |
