| Specifications                     |                                                        |
|------------------------------------|--------------------------------------------------------|
| Part Number                        | MKP385339040JDM2B0                                     |
| Manufacturer                       | Angstrohm / Vishay                                     |
| Description                        | CAP FILM 0.039UF 5% 400VDC RAD                         |
| Category                           | Capacitors > Film Capacitors                           |
| Part Status                        | 2588 pcs Stock                                         |
| Voltage Rating - DC                | 400V                                                   |
| Voltage Rating - AC                | 200V                                                   |
| Tolerance                          | ±5%                                                    |
| Termination                        | PC Pins                                                |
| Size / Dimension                   | 0.492" L x 0.158" W (12.50mm x 4.00mm)                 |
| Series                             | MKP385                                                 |
| Packaging                          | Bulk                                                   |
| Package / Case                     | Radial                                                 |
| Operating Temperature              | -55°C ~ 110°C                                          |
| Mounting Type                      | Through Hole                                           |
| Lead Spacing                       | 0.394" (10.00mm)                                       |
| Height - Seated (Max)              | 0.394" (10.00mm)                                       |
| Features                           | -                                                      |
| ESR (Equivalent Series Resistance) | -                                                      |
| Dielectric Material                | Polypropylene (PP), Metallized                         |
| Capacitance                        | 0.039μF                                                |
| Applications                       | DC Link, DC Filtering; High Frequency, Switching; High |
