|-----------------------------------|----------------------------------------------------|
| Part Number                       | CZRF52C8V2                                         |
| Manufacturer                      | Comchip Technology                                 |
| Description                       | DIODE ZENER 8.2V 200MW 1005                        |
| Category                          | Discrete Semiconductor Products > Diodes - Zener - |
| Part Status                       | 2692 pcs Stock                                     |
| Voltage - Zener (Nom) (Vz)        | 8.2V                                               |
| Voltage - Forward (Vf) (Max) @ If | 900mV @ 10mA                                       |
| Tolerance                         | ±5%                                                |
| Supplier Device Package           | 1005/SOD-323F                                      |
| Series                            | -                                                  |
| Power - Max                       | 200mW                                              |
| Packaging                         | Tape & Reel (TR)                                   |
| Package / Case                    | 1005 (2512 Metric)                                 |
| Operating Temperature             | -55°C ~ 125°C                                      |
| Mounting Type                     | Surface Mount                                      |
| Impedance (Max) (Zzt)             | 7 Ohm                                              |
| Current - Reverse Leakage @ Vr    | 100nA @ 6V                                         |
