| Specifications                   |                                                       |
|----------------------------------|-------------------------------------------------------|
| Part Number                      | UCS2113T-2-V/G4                                       |
| Manufacturer                     | Micrel / Microchip Technology                         |
| Description                      | DUAL USB PORT POWER SWITCH                            |
| Category                         | Integrated Circuits (ICs) > PMIC - Power Distribution |
| Part Status                      | 2686 pcs Stock                                        |
| Supplier Device Package          | 20-QFN (4x4)                                          |
| Series                           | *                                                     |
| Packaging                        | Tape & Reel (TR)                                      |
| Package / Case                   | 20-VFQFN Exposed Pad                                  |
| Other Names                      | UCS2113T-2-V/G4TR                                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                         |
| Manufacturer Standard Lead Time  | 29 Weeks                                              |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                            |
