| Specifications             |                                              |
|----------------------------|----------------------------------------------|
| Part Number                | TC623CVOA                                    |
| Manufacturer               | Micrel / Microchip Technology                |
| Description                | IC TEMP SNSR 3V DUAL TRIP 8-SOIC             |
| Category                   | Sensors, Transducers > Temperature Sensors - |
| Part Status                | 16566 pcs Stock                              |
| Voltage - Supply           | 2.7 V ~ 4.5 V                                |
| Trip Temperature Threshold | Cold, Hot                                    |
| Switching Temperature      | Programmable                                 |
| Supplier Device Package    | 8-SOIC                                       |
| Series                     | -                                            |
| Selectable Hysteresis      | No                                           |
| Packaging                  | Tube                                         |
| Package / Case             | 8-SOIC (0.154", 3.90mm Width)                |
| Output Type                | Push-Pull                                    |
| Output Function            | OverTemp, UnderTemp                          |
| Output                     | Active High                                  |
| Operating Temperature      | -40°C ~ 125°C                                |
| Mounting Type              | Surface Mount                                |
| Features                   | -                                            |
| Current - Supply           | 150µA                                        |
| Current - Output (Max)     | 1mA                                          |
| Accuracy                   | ±3°C                                         |
