|----------------------------|----------------------------------------------------------|
| Part Number                | CS4351-DZZR/B                                            |
| Manufacturer               | Cirrus Logic                                             |
| Description                | IC DAC STER 112DB 192KHZ 20TSSOP                         |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - ADCs/DACs |
| Part Status                | 2589 pcs Stock                                           |
| Voltage Supply Source      | Analog and Digital                                       |
| Voltage - Supply           | 3.13 V ~ 3.47 V, 8.55 V ~ 12.6 V                         |
| Type                       | DAC, Audio                                               |
| Supplier Device Package    | 20-TSSOP                                                 |
| Series                     | Popguard®                                                |
| Sampling Rate (Per Second) | 192k                                                     |
| Resolution (Bits)          | 24 b                                                     |
| Packaging                  | Tape & Reel (TR)                                         |
| Package / Case             | 20-TSSOP (0.173", 4.40mm Width)                          |
| Operating Temperature      | -40°C ~ 85°C                                             |
| Mounting Type              | Surface Mount                                            |
| Data Interface             | SPI                                                      |
