| Specifications             |                                                         |
|----------------------------|---------------------------------------------------------|
| Part Number                | PIC24FJ32MC104-I/TL                                     |
| Manufacturer               | Micrel / Microchip Technology                           |
| Description                | IC MCU 16BIT 32KB FLASH 44VTLA                          |
| Category                   | Integrated Circuits (ICs) > Embedded - Microcontrollers |
| Part Status                | 2609 pcs Stock                                          |
| Voltage - Supply (Vcc/Vdd) | 3 V ~ 3.6 V                                             |
| Supplier Device Package    | 44-VTLA (6x6)                                           |
| Speed                      | 16 MIPS                                                 |
| Series                     | PIC® 24F                                                |
| RAM Size                   | 1K x 16                                                 |
| Program Memory Type        | FLASH                                                   |
| Program Memory Size        | 32KB (11K x 24)                                         |
| Peripherals                | Brown-out Detect/Reset, Motor Control PWM, POR,         |
| Packaging                  | Tube                                                    |
| Package / Case             | 44-VFTLA Exposed Pad                                    |
| Oscillator Type            | Internal                                                |
| Operating Temperature      | -40°C ~ 85°C (TA)                                       |
| Number of I/O              | 35                                                      |
| EEPROM Size                | -                                                       |
| Data Converters            | A/D 14x10b                                              |
| Core Size                  | 16-Bit                                                  |
| Core Processor             | PIC                                                     |
| Connectivity               | I²C, IrDA, LIN, SPI, UART/USART                         |
|                            |                                                         |
