| Specifications            |                                                           |
|---------------------------|-----------------------------------------------------------|
| Part Number               | MAX5381PEUK+T                                             |
| Manufacturer              | N/A                                                       |
| Description               | IC DAC 8BIT 2WIRE SER SOT23-5                             |
| Category                  | Integrated Circuits (ICs) > Data Acquisition - Digital to |
| Part Status               | 1863 pcs Stock                                            |
| Voltage - Supply, Digital | 5V                                                        |
| Voltage - Supply, Analog  | 5V                                                        |
| Supplier Device Package   | SOT-23-5                                                  |
| Settling Time             | 20μs (Typ)                                                |
| Series                    | -                                                         |
| Reference Type            | Internal                                                  |
| Packaging                 | Tape & Reel (TR)                                          |
| Package / Case            | SC-74A, SOT-753                                           |
| Output Type               | Voltage - Buffered                                        |
| Operating Temperature     | -40°C ~ 85°C                                              |
| Number of D/A Converters  | 1                                                         |
| Number of Bits            | 8                                                         |
| INL/DNL (LSB)             | ±1 (Max), ±1 (Max)                                        |
| Differential Output       | No                                                        |
| Data Interface            | I²C                                                       |
| Architecture              | Current Steering                                          |
|                           |                                                           |
