| Description                            | MOSFET 4N-CH 60V 7A 15-SIP                            |
| Category                               | Discrete Semiconductor Products > Transistors - FETs, |
| Part Status                            | 2682 pcs Stock                                        |
| Vgs(th) (Max) @ Id                     | 2V @ 250μA                                            |
| Supplier Device Package                | 15-SIP                                                |
| Series                                 | -                                                     |
| Rds On (Max) @ Id, Vgs                 | 100 mOhm @ 3.5A, 10V                                  |
| Power - Max                            | 4.8W                                                  |
| Packaging                              | Tube                                                  |
| Package / Case                         | 15-SIP                                                |
| Operating Temperature                  | 150°C (TJ)                                            |
| Mounting Type                          | Through Hole                                          |
| Input Capacitance (Ciss) (Max) @ Vds   | 660pF @ 10V                                           |
| Gate Charge (Qg) (Max) @ Vgs           | -                                                     |
| FET Type                               | 4 N-Channel                                           |
| FET Feature                            | Standard                                              |
| Drain to Source Voltage (Vdss)         | 60V                                                   |
| Current - Continuous Drain (Id) @ 25°C | 7A                                                    |
