**TS80C32X2-VCED**

|                           |                                                                                                                      |
|---------------------------|----------------------------------------------------------------------------------------------------------------------|
| Manufacturer Part Number: | TS80C32X2-VCED                                                                                                       |
| Manufacturer/Brand:       | Micrel / Microchip Technology                                                                                        |
| Part of Description:      | IC MCU 8BIT ROMLESS 44VQFP                                                                                           |
| Datasheets:               |  <a href="#">TS80C32X2-VCED.pdf</a> |
| RoHs Status:              | Contains lead / RoHS non-compliant                                                                                   |
| Stock Condition:          | New original, 2666 pcs Stock Available.                                                                              |
| Ship From:                | Hong Kong                                                                                                            |
| Shipment Way:             | DHL/Fedex/TNT/UPS/EMS                                                                                                |

| Specifications             |                                                         |
|----------------------------|---------------------------------------------------------|
| Part Number                | TS80C32X2-VCED                                          |
| Manufacturer               | Micrel / Microchip Technology                           |
| Description                | IC MCU 8BIT ROMLESS 44VQFP                              |
| Category                   | Integrated Circuits (ICs) > Embedded - Microcontrollers |
| Part Status                | 2666 pcs Stock                                          |
| Voltage - Supply (Vcc/Vdd) | 4.5 V ~ 5.5 V                                           |
| Speed                      | 60/30MHz                                                |
| Series                     | 80C                                                     |
| RAM Size                   | 256 x 8                                                 |
| Program Memory Type        | ROMless                                                 |
| Program Memory Size        | -                                                       |
| Peripherals                | POR                                                     |
| Packaging                  | Tray                                                    |
| Package / Case             | 44-QFP                                                  |
| Oscillator Type            | Internal                                                |
| Operating Temperature      | 0°C ~ 70°C (TA)                                         |
| Number of I/O              | 32                                                      |
| EEPROM Size                | -                                                       |
| Data Converters            | -                                                       |
| Core Size                  | 8-Bit                                                   |
| Core Processor             | 80C51                                                   |
| Connectivity               | UART/USART                                              |
