| Description                  | IC VREF SERIES 2.5V 8SOIC                            |
| Category                     | Integrated Circuits (ICs) > PMIC - Voltage Reference |
| Part Status                  | 2361 pcs Stock                                       |
| Voltage - Output (Min/Fixed) | 2.5V                                                 |
| Voltage - Output (Max)       | -                                                    |
| Voltage - Input              | 3 V ~ 15 V                                           |
| Tolerance                    | ±0.2%                                                |
| Temperature Coefficient      | 10ppm/°C                                             |
| Supplier Device Package      | 8-SOIC                                               |
| Series                       | REF19                                                |
| Reference Type               | Series                                               |
| Packaging                    | Tube                                                 |
| Package / Case               | 8-SOIC (0.154", 3.90mm Width)                        |
| Output Type                  | Fixed                                                |
| Operating Temperature        | -40°C ~ 85°C (TA)                                    |
| Noise - 10Hz to 10kHz        | -                                                    |
| Noise - 0.1Hz to 10Hz        | 25µVp-p                                              |
| Mounting Type                | Surface Mount                                        |
| Current - Supply             | 45µA                                                 |
| Current - Output             | 30mA                                                 |
| Current - Cathode            | -                                                    |
