| Specifications                  |                                                        |
|---------------------------------|--------------------------------------------------------|
| Part Number                     | EP9301-IQ                                              |
| Manufacturer                    | Cirrus Logic                                           |
| Description                     | IC MPU EP9 166MHZ 208LQFP                              |
| Category                        | Integrated Circuits (ICs) > Embedded - Microprocessors |
| Part Status                     | 2587 pcs Stock                                         |
| Voltage - I/O                   | 1.8V, 3.3V                                             |
| USB                             | USB 2.0 (2)                                            |
| Supplier Device Package         | 208-LQFP                                               |
| Speed                           | 166MHz                                                 |
| Series                          | EP9                                                    |
| Security Features               | Hardware ID                                            |
| SATA                            | -                                                      |
| RAM Controllers                 | SDRAM                                                  |
| Packaging                       | Tray                                                   |
| Package / Case                  | 208-LQFP                                               |
| Operating Temperature           | -40°C ~ 85°C (TA)                                      |
| Number of Cores/Bus Width       | 1 Core, 32-Bit                                         |
| Graphics Acceleration           | No                                                     |
| Ethernet                        | 1/10/100 Mbps (1)                                      |
| Display & Interface Controllers | -                                                      |
| Core Processor                  | ARM920T                                                |
| Co-Processors/DSP               | -                                                      |
| Additional Interfaces           | AC'97, I²S, IrDA, SPI, UART                            |
|                                 |                                                        |
