Specifications

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | MAX1241CESA+                                             |
| Manufacturer               | N/A                                                      |
| Description                | IC ADC 12BIT SERIAL 8-SOIC                               |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - Analog to |
| Part Status                | 2663 pcs Stock                                           |
| Voltage - Supply, Digital  | 2.7 V ~ 5.25 V                                           |
| Voltage - Supply, Analog   | 2.7 V ~ 5.25 V                                           |
| Supplier Device Package    | 8-SOIC                                                   |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | 73k                                                      |
| Reference Type             | External                                                 |
| Ratio - S/H:ADC            | 1:1                                                      |
| Packaging                  | Tube                                                     |
| Package / Case             | 8-SOIC (0.154", 3.90mm Width)                            |
| Operating Temperature      | -40°C ~ 85°C                                             |
| Number of Inputs           | 1                                                        |
| Number of Bits             | 12                                                       |
| Number of A/D Converters   | 1                                                        |
| Input Type                 | Single Ended                                             |
| Features                   | -                                                        |
| Data Interface             | SPI                                                      |
| Configuration              | S/H-ADC                                                  |
| Architecture               | SAR                                                      |
