Specifications

|                       |                                                        |
|-----------------------|--------------------------------------------------------|
| Part Number           | DC-EM-02T-C-25                                         |
| Manufacturer          | Digi International                                     |
| Description           | EM 8MB SDRAM 4MB FLASH 25 PAK                          |
| Category              | Integrated Circuits (ICs) > Embedded - Microcontroller |
| Part Status           | 2509 pcs Stock                                         |
| Speed                 | 55MHz                                                  |
| Size / Dimension      | 1.94" x 1.58" (49.2mm x 40.0mm)                        |
| Series                | Digi Connect EM®                                       |
| RAM Size              | 8MB                                                    |
| Operating Temperature | -40°C ~ 85°C                                           |
| Module/Board Type     | MPU Core                                               |
| Flash Size            | 4MB                                                    |
| Core Processor        | ARM7TDMI, NS7520                                       |
| Connector Type        | RJ45                                                   |
| Co-Processor          | -                                                      |
