| Specifications          |                                                    |
|-------------------------|----------------------------------------------------|
| Part Number             | XC18V02PC44C0936                                   |
| Manufacturer            | Xilinx                                             |
| Description             | IC PROM SERIAL CONFIG 2M 44-PLCC                   |
| Category                | Integrated Circuits (ICs) > Memory - Configuration |
| Part Status             | 2597 pcs Stock                                     |
| Voltage - Supply        | 3 V ~ 3.6 V                                        |
| Supplier Device Package | 44-PLCC (16.59x16.59)                              |
| Series                  | -                                                  |
| Programmable Type       | In System Programmable                             |
| Packaging               | Tube                                               |
| Package / Case          | 44-LCC (J-Lead)                                    |
| Operating Temperature   | 0°C ~ 70°C                                         |
| Memory Size             | 2Mb                                                |
|                         |                                                    |
