| Specifications         |                                         |
|------------------------|-----------------------------------------|
| Part Number            | MTSMC-E-V.R3-SP                         |
| Manufacturer           | Multi-Tech Systems, Inc.                |
| Description            | RF TXXR MODULE CELLULAR MMCX ANT        |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | 2579 pcs Stock                          |
| Voltage - Supply       | 5V                                      |
| Series                 | SocketModem® EDGE                       |
| Serial Interfaces      | UART                                    |
| Sensitivity            | -                                       |
| RF Family/Standard     | Cellular                                |
| Protocol               | EDGE, GPRS, GSM                         |
| Power - Output         | -                                       |
| Packaging              | Tray                                    |
| Package / Case         | Module                                  |
| Operating Temperature  | -30°C ~ 70°C                            |
| Mounting Type          | Through Hole                            |
| Modulation             | -                                       |
| Memory Size            | -                                       |
| Frequency              | 850MHz, 900MHz, 1.8GHz, 1.9GHz          |
| Data Rate              | 240kbps                                 |
| Current - Transmitting | 675mA                                   |
| Current - Receiving    | 675mA                                   |
| Antenna Type           | Not Included, MMCX                      |
