| Description                      | TVS DIODE 5VWM 12.5VC 6DFN1616                                    |
| Category                         | <a href="#">Circuit Protection</a> > <a href="#">TVS - Diodes</a> |
| Part Status                      | 3009 pcs Stock                                                    |
| Voltage - Reverse Standoff (Typ) | 5                                                                 |
| Voltage - Clamping (Max) @ Ipp   | 6V                                                                |
| Voltage - Breakdown (Min)        | 5V (Min)                                                          |
| Voltage - Breakdown              | 6-DFN1616                                                         |
| Type                             | Zener                                                             |
| Series                           | Automotive, AEC-Q101                                              |
| RoHS Status                      | Tape & Reel (TR)                                                  |
| Ripple Current - Low Frequency   | Automotive                                                        |
| Power Line Protection            | 70W                                                               |
| Power - Peak Pulse               | -                                                                 |
| Polarization                     | 6-UFDFN Exposed Pad                                               |
| Other Names                      | DMF05LCFLP-7DITR                                                  |
| Operating Temperature            | -55°C ~ 150°C (TJ)                                                |
| Mounting Type                    | Surface Mount                                                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                     |
| Manufacturer Standard Lead Time  | 16 Weeks                                                          |
| Manufacturer Part Number         | DMF05LCFLP-7                                                      |
| Description                      | TVS DIODE 5VWM 12.5VC 6DFN1616                                    |
| Current - Peak Pulse (10/1000µs) | 12.5V                                                             |
| Capacitance @ Frequency          | -                                                                 |
| Bidirectional Channels           | No                                                                |
|                                  |                                                                   |
