| Specifications                    |                                                   |
|-----------------------------------|---------------------------------------------------|
| Part Number                       | ALD1706SAL                                        |
| Manufacturer                      | Advanced Linear Devices, Inc.                     |
| Description                       | IC OPAMP GP 400KHZ RRO 8SOIC                      |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 2628 pcs Stock                                    |
| Voltage - Supply, Single/Dual (±) | 2 V ~ 10 V, ±1 V ~ 5 V                            |
| Voltage - Input Offset            | 4.5mV                                             |
| Supplier Device Package           | 8-SOIC                                            |
| Slew Rate                         | 0.17 V/μs                                         |
| Series                            | -                                                 |
| Packaging                         | Tube                                              |
| Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                     |
| Output Type                       | Rail-to-Rail                                      |
| Operating Temperature             | 0°C ~ 70°C                                        |
| Number of Circuits                | 1                                                 |
| Mounting Type                     | Surface Mount                                     |
| Gain Bandwidth Product            | 400kHz                                            |
| Current - Supply                  | 20μA                                              |
| Current - Output / Channel        | 200μA                                             |
| Current - Input Bias              | 0.1pA                                             |
| Amplifier Type                    | General Purpose                                   |
| -3db Bandwidth                    | -                                                 |
|                                   |                                                   |
