| Specifications          |                                                         |
|-------------------------|---------------------------------------------------------|
| Part Number             | AT97SC3204-X2A16-20                                     |
| Manufacturer            | Micrel / Microchip Technology                           |
| Description             | IC CRYPTO TPM LPC 28TSSOP                               |
| Category                | Integrated Circuits (ICs) > Embedded - Microcontrollers |
| Part Status             | 2669 pcs Stock                                          |
| Voltage - Supply        | 3 V ~ 3.6 V                                             |
| Supplier Device Package | 28-TSSOP                                                |
| Series                  | CryptoController™                                       |
| RAM Size                | -                                                       |
| Program Memory Type     | EEPROM                                                  |
| Packaging               | Tape & Reel (TR)                                        |
| Package / Case          | 28-TSSOP (0.173", 4.40mm Width)                         |
| Operating Temperature   | 0°C ~ 70°C                                              |
| Number of I/O           | -                                                       |
| Mounting Type           | Surface Mount                                           |
| Interface               | LPC                                                     |
| Core Processor          | AVR                                                     |
| Controller Series       | -                                                       |
| Applications            | Secure Communications                                   |
